

a promise given pdf

In Christianity, a distinction is made between simple promises and oaths or vows. An oath is a promise invoking God as a witness. A vow is a solemn form of a promise typically made to commit oneself to a moral good with God as witness, and binds oneself to its fulfillment over time.

The first copyright law was a censorship law. It was not about protecting the rights of authors, or encouraging them to produce new works. Authors' rights were in little danger in sixteenth-century England, and the recent arrival of the printing press (the world's first copying machine) was if anything energizing to writers.
