librarian positions in academic libraries. Conducting a job analysis of library positions is Conducting a job analysis of library positions is common in the discipline of librarianship.

### **What is a Data Librarian?: A Content Analysis of Job**

The literature on academic library web pages documents efforts by libraries to use web technologies and resources to serve user groups. However, the research also suggests these efforts were hindered by design and navigation issues with academic library web pages. It remains especially important that libraries consider design in the development of their web pages to maximize usage of content.

### **A Literature Review of Academic Library Web Page Studies**

The International Journal of Design is a peer-reviewed, open-access journal devoted to publishing research papers in all fields of design, including industrial design, visual communication design, interface design, animation and game design, architectural design, urban design, and other design related fields.
