Adapting Novels Into Films | Download eBook PDF/EPUB

In considering what can be transferred from novel to film, one begins to lay the theoretical basis for a study of the phenomenon of turning novels into films as well as a basis for what has been transferred in any particular case (i.e. how far the film-maker has chosen to transfer what is possible to do so). In broad terms, this involves a distinction between narrative (which can be ...

Novel to Film: An Introduction to the Theory of Adaptation

aspect of turning a novel into a film. How faithful to the original written work should a film version strive to be? In *Reading the Movies*, William Costanzo quotes George Bluestone, one of the first critics to study film adaptations of literature. Bluestone believes the filmmaker is an independent artist, "not a translator for an established author, but a new author in his own right." Some ...

From Novel to Screenplay: The Challenges of Adaptation

In this case, a film is thought to lower the original, causing the general disdain for adapting works of literature-particularly classics-into film. Director Alain Resnais once claimed he would never shoot an adaptation because "the writer [had] completely expressed himself in the novel and wanting to make a film of it is a little like re-heating a meal."

A Look at the Relationship between Book and Film

How to Adapt a Novel Into a Screenplay Step #1: Decide if it would make a good movie While Hollywood absolutely loves making movies out of novels, not all novels should be made into movies. You need to take a good hard look at your story and be honest with yourself as to whether it would make a good film.
