Medical Process Outsourcing in India - EY

VFS Global is an outsourcing and technology services specialist for governments and diplomatic missions worldwide. The company manages visa and passport issuance-related administrative and non-discretionary tasks for its client governments.

VFS Global - Wikipedia

Outsourcing is "an agreement in which one company hires another company to be responsible for an existing internal activity." It often involves the contracting of a business process (e.g., payroll processing, claims processing), operational, and/or non-core functions, such as manufacturing, facility management, call center support).
