Renaissance art is the painting, sculpture and decorative arts of the period of European history, emerging as a distinct style in Italy in about 1400, in parallel with developments which occurred in philosophy, literature, music, and science.

Renaissance art - Wikipedia

Overview. The Renaissance was a cultural movement that profoundly affected European intellectual life in the early modern period. Beginning in Italy, and spreading to the rest of Europe by the 16th century, its influence was felt in literature, philosophy, art, music, politics, science, religion, and other aspects of intellectual inquiry.

Renaissance - Wikipedia

The term "the Renaissance" is associated with the artistic bounty of Italy—but the massive cultural transformations remaking the world were affecting art throughout northern Europe as well. In *The Art of the Northern Renaissance*, Professor Catherine Scallen leads an intensely visual exploration using more than 300 images—paintings, woodcuts ...
