Its challengers apparently vanquished, the main threat to capitalism may now come from disorders that lurk within the system itself. Wolfgang Streeck diagnoses its crisis symptoms, from persistent stagnation to global anarchy, and asks what lies in store as they multiply.

Wolfgang Streeck: How Will Capitalism End?. New Left

When private interests need a political favor, they know whom to call. When politicians need money, they also know whom to call. The people involved try to keep most of it concealed behind closed doors. This is the system that prevailed in Russia after the fall of Communism. But increasingly it is America's system as well.
