Abstract. The notion of paying college football players has been an ongoing debate since the early 1900s. With current television revenue resulting from NCAA football bowl games and March Madness in basketball, there is now a clamoring for compensating both football and basketball players beyond that of an athletic scholarship.

Representations of Female Athletes in Sports Nutrition

Most deaths in the United States are preventable, and related to nutrition. Does it really matter what we eat? Well, the good news is, we have tremendous power over our health destiny and longevity. The majority of premature death and disability is preventable, with a healthy enough diet.
