While theory and research on leaders and leadership abound, followers and followership theory have been given short shrift. It is accepted wisdom that there is no leadership without followers, yet followers are very often left out of the leadership research equation.

Followership theory: A review and research agenda

4.1.1. Closing of the mould. The first step in the steam-chest moulding cycle is the closing of the mould.

4.1.2. Filling of the mould. Foamed beads are drawn by air pressure out of a container and blown into the mould by an injector, which usually functions according to the venturi-principle.

Past and present developments in polymer bead foams and
