Journalism, like any profession, has its own language and specialist words which practitioners need to know. The following glossary contains more than 700 definitions of terms about journalism and the media - including new media - making it probably the biggest, most extensive journalism and media glossary available free online.

### **Journalism & Media Glossary - The News Manual**

The influence of social media platforms and technology companies is having a greater effect on American journalism than even the shift from print to digital. There is a rapid takeover of traditional publishers' roles by companies including Facebook, Snapchat, Google, and Twitter that shows no sign of slowing, and which raises serious ...
