

medicines management in mental pdf

Introduction Violence and aggression refer to a range of behaviours or actions that can result in harm, hurt or injury to another person, regardless of whether the violence or aggression is physically or verbally

Violence and aggression: short-term management in mental

Rationale . The covert administration of medicines should only be used in exceptional circumstances when such a means of administration is judged necessary, in accordance with the Mental Capacity Act 2005.

Medicines management in care homes | Guidance and

Medications can play a role in treating several mental disorders and conditions. Treatment may also include psychotherapy (also called "talk therapy") and brain stimulation therapies (less common). In some cases, psychotherapy alone may be the best treatment option. Choosing the right treatment
