South African property law regulates the "rights of people in or over certain objects or things." It is concerned, in other words, with a person's ability to undertake certain actions with certain kinds of objects in accordance with South African law. Among the formal functions of South African property law is the harmonisation of individual ...

What Happens if You Die Without A Will? If you die intestate (without a will), your state's laws of descent and distribution will determine who receives your property by default. These laws vary from state to state, but typically the distribution would be to your spouse and children, or if none, to
