Rarely Pure And Never Simple (2013) About book: This book was provided to me in return for my honest review as part of the M/M Romance group's DBML program. I have not received any compensation for this review, it's freely given. I thought this was a great read - it was well written, with the dystopian world-building, the characterization - I was able to easily connect to the MCs, and the snark!
