Simpsons Variables Worksheet Reminder: The independent variable is the one where you choose the values. The dependent variable is the variable you measure or the result of the experiment. A constant or controlled variable is a variable that does not change during the experiment. A control group is the normal group or the group that does not get the experimental treatment. Smithers thinks that ...

Name: ////////////// // ////////////// ////////////// / EXPLOREGoal

Based on the Sponge Bob and the Simpsons controls and variables worksheets. I wanted to give my students some other options for subjects for the worksheets. One advantage is that the control/experimental group is occasionally switched up, so this allow multiple versions to prevent copying of homework.
