Introduction to Sociology. Concerts, sports games, and political rallies can have very large crowds. When you attend one of these events, you may know only the people you came with.

Chapter 1. An Introduction to Sociology

Sociology is the scientific study of society, patterns of social relationships, social interaction, and culture of everyday life. It is a social science that uses various methods of empirical investigation and critical analysis to develop a body of knowledge about social order, acceptance, and change or social evolution.
