

strategy maps converting intangible pdf

A strategy map is a diagram that is used to document the primary strategic goals being pursued by an organization or management team. It is an element of the documentation associated with the Balanced Scorecard, and in particular is characteristic of the second generation of Balanced Scorecard designs that first appeared during the mid-1990s.

The Execution Premium is the crowning book of Kaplan and Norton's series addressing the Balanced Scorecard and Strategy maps. This book is manual for strategists as it brings together all of the current best thinking related to how an organization establishes its strategy, uses strategy maps and leverages balanced scorecards.

The Execution Premium: Linking Strategy to Operations for

Paper presents strategies of value proposition on the Internet. Author has distinguished and described strategies of efficiency, free values, complete customer solutions, unique values and value co-creation. These strategies are different from traditional strategies of value proposition, which refer values for customers to the level of price.
