At every interview there will be an opportunity for you to ask questions about the role and the organisation. This will show the interviewer that you are interested and help you to visualise what it would be like to work there.

How to be Successful in an Interview | CIPD

Remember, the interviewer is sorting candidates into two piles with screening interviews. You want to wind up in the pile of candidates moving on to the next round. Make it easy by providing exactly the information the interviewer needs, in a straight-forward fashion. Making a personal connection is a bit less important at this stage of the hiring process.

What is a Screening Interview? - thebalancecareers.com

This should help set the tone for a successful interview. Do not put your belongings on the interview desk. If a panel interview is part of the second-round interview, be sure to maintain eye contact with everyone on the
