A zoo (short for zoological garden or zoological park and also called an animal park or menagerie) is a facility in which all animals are housed within enclosures, displayed to the public, and in which they may also breed.

Zoo - Wikipedia

Galaxy Zoo is a crowdsourced astronomy project which invites people to assist in the morphological classification of large numbers of galaxies. It is an example of citizen science as it enlists the help of members of the public to help in scientific research.
