The School of Education is home to undergraduate and graduate programs led by experienced faculty. Consistently ranked as a top school for teacher preparation, we shape the next generation of world-class educators.

### **UC CECH, University of Cincinnati**

In ethics, value denotes the degree of importance of some thing or action, with the aim of determining what actions are best to do or what way is best to live (normative ethics), or to describe the significance of different actions.

### **Value (ethics) - Wikipedia**

Value education the process by which people give moral values to each other. It can be an activity that can take place in any human organisation during which people are assisted by others, who may be older, in a condition experienced to make explicit our ethics in order to assess the effectiveness of these values and associated behaviour for ...
