Dear Internet Archive Supporter, I ask only once a year: please help the Internet Archive today. Most can't afford to give, but we hope you can. The average donation is \$45. If everyone chips in \$5, we can

end this fundraiser today. Right now, a generous supporter will match your donation 2-to-1, so you can triple your impact. All we need is the price of a paperback book to sustain a library ...

A text-book of surgical anatomy - Internet Archive

Anatomy is the science of the structure of the body. In this book, after the general features of certain systems have been discussed in introductory chapters, the remainder of the work will general follow a regional approach. The regional plan has been adopted chiefly because the vast majority of laboratory courses in human anatomy are based on regional dissection.
